

FAITH

We live our lives in masses of temptation
Always going by the way we feel inside
Never knowing what our fate is, or what life holds in store
Always going on our faith to give us more

CHORUS

*If we live our lives by faith in God and not by sight alone
Jesus comes and takes our hand and leads us home
Yes Jesus comes and takes our hand and leads us home*

We travel down the road of life with decisions in our path
And we question God above from whom we came
When we remember Jesus died for us to take away our sins
We will beg for Godly mercy on our souls

Temptation and decisions are always in our lives
We just need to keep our focus on the Lord
When we understand our place in life and Jesus place in ours
We will turn our lives to him to make us whole (chorus)

The sun seems brighter and the colors pretty when we turn our
lives to God
We just have to understand our place on earth
With our strengthened faith in God above our visions are so
clear
That is to help our fellow man and lead him home
(chorus)
